Dear Clerk

Annual Governance and Accountability Return for the Year ended 31 March 2024

Please find enclosed the signed External Audit Report to accompany your Annual Governance and Accountability Return for the year ended 31 March 2024.

We also enclose a note of our charges based on the fixed rate audit fee as set by the Smaller Authorities' Audit Appointments Ltd.

Authorities who have not claimed exemption

Regulation 13 of the Accounts and Audit Regulations 2015 stipulate that Authorities, who are not inactive Authorities, must publish the following (including on the Authority's website):

- (a) The audited version(s) of the Statement of Accounts and Annual Governance Statement
- (b) The auditor's certificate and opinion
- (c) Any public interest report or other recommendation of the auditor.
- (d) A form of Notice of Conclusion of Annual Audit

We draw your attention to the following points.

- The Council is required to approve Section 1 and 2 of the return individually in a specified order and the minutes should reflect this. As the minute references used were the same on both sections 1 and 2 this was not clear on the face of the return. Best practice would be to provide an individual minute reference or sub-reference for the approval of each section and reflect this reference on the return so the order of approval is more easily identified.

A template Notice of Conclusion of Audit form is available on our website using the following link <https://www.moore.co.uk/sectors/public-sector/smaller-authorities>.

This notice must also state that an elector may inspect those documents at all reasonable times and without payment. The address and times when this inspection may be carried out must also be given.

Yours sincerely

Moore

Section 3 - External Auditor Report and Certificate 2023/24

In respect of

Garsington Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 14(1) of the Audit and Accounts Regulations 2015 requires the period of public rights should be a 'single period of 30 working days'. The Council provided a period of 23 working days in 2023-24 for the review of their records which is a breach of the regulation, and we would anticipate the Council taking this into account when it completes Assertion 4 on its 2024/25 Annual Governance Statement. In future the council should ensure that it calculates and provides a period of precisely 30 working days.

A review of the Finance Section on the Council's website has found that the Council has not fully met the requirement of the Accounts and Audit Regulations 2015, Regulation 13 (1) which states that the audited Annual Governance and Accountability Return should, on conclusion of the audit, be available for public access which includes publication on the Council's website. The Council amended their return in the prior year during the 2022/23 audit process however the amended version of the return has not then been published on the Council's website. The Council should bring this into line with the regulations as soon as practically possible.

Other matters not affecting our opinion which we draw to the attention of the authority:

Incomplete information was provided with the initial supporting data submitted for review with regards to the level of reserves held by the Council, which was later provided on request. The Parish Council should in future ensure that reserves levels are considered thoroughly, and explanations provided with the AGAR when submitted to the external auditor.

Box 11a was not initially completed on Section 2 Accounting Statements when the form was submitted. The form was resubmitted with a 'No' answer to Box 11a which was in line with our expectation, so we have no further concerns.

The internal auditor has provided a 'Yes' response at control objective L on their report. This suggests that the Council correctly published all relevant documents on its website. As the Council currently has not published the audited 2022-23 return following amendments made during the 2022-23 limited assurance review, the answer to this point should have been 'No'.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
